Yearly Review

FOLLOW US ONLINE

It's time to review your Health & Safety Management System

Take note of the following to see if your Health & Safety is up for a review:

OHS Management System (SHE File)

1. Do you do yearly Baseline Risk Assessments

Compliant	Non-Compliant	Score	Act & Section
●		10	Gen. Reg. Div. Reg. 7 Municipal By-Law
●		10	Municipal By-Law
	●		OHS Act Div. Reg. 122

2. Do you have an updated Health & Safety Scorecard

3. Do you have a Health and Safety Policy and Plan as

as required by Law?

indicating your compliance?

required by OHS Act 85 of 1993?

The banner is divided into two main sections. The left section shows a hand holding a folder with a label that reads '40528'. The right section features a futuristic digital interface with a globe, various icons, and data points. A red arrow-shaped banner at the bottom left contains the text 'No More Hassles & Risk!'. A red button with a white arrow is located at the bottom right.
