

**You can be Health & Safety  
compliant from as little as \*R3500  
per month. And we will do all the  
work for you!**

Here's how we will help you by getting the following in place:

Baseline Risk Audit

Evacuation Drill

YOU CAN NOW CUSTOMISE YOUR

## *OHS Monthly Retainer*

Schedule Appointment

Committee Meetings

Management System

### The Monthly Retainer includes:

- OHS Management System File (ISO 45001:2018 & ISO 18001:2007)
- 1 x Simulated and Audited Emergency Evacuation Drill
- 4 x OHS & Fire Protection Committee Meetings for the year

- 4 x Assessments per year
- 4 x Compliance Scorecards per year
- 1 x Annual Comprehensive Risk Audit per year
- Any other Consulting Services required

Schematics (Floor plans with the outline of the Emergency Evacuation Routes and Equipment), Fire Extinguisher services, all Products (First Aid Equipment, Safety Signage, Fire Equipment and Emergency Evacuation Equipment) and OHS Training will be excluded, but after a proper OHS Baseline Risk Assessment it can be incorporated in your Monthly Retainer.
